Hi Steve,

Thank you for the follow up. We are waiting to receive documents from our OPI by this week. After we receive the documents, they will be ready for scanning and sent to an analyst to process the severances and release. Unless we receive a large volume of records and if there are any consultations required with Other Government Depts., the file should be processed fairly quickly. I will provide further updates once we have received the records.

Thank you for your understanding.
Tasnim
